Networking

Carnesale Commons Floor 2 and 3 | 5:45 - 6:45 PM

1. Enter through the door pictured below.
2. Check in and grab a nametag on Floor 1. There will be a company check-in.
3. Set up your booth at the career fair tables.
4. Head to Floor 3 to network with students and other representatives. Enjoy our delicious appetizers, or head to Floor 2 to participate in our raffle!

Tip: Checking in earlier allows for more time to set up career booths before students arrive.

Tip: Please reach out to more students than representatives! Students may be hesitant to approach first.

Dinner

Carnesale Commons Palisades Ballroom | 6:45 - 8:30 PM

Dinner is a formal 3-course meal that takes place in the Palisades Ballroom. 6-8 students will be matched to 1-2 company representatives during a 3-course meal. Table assignments will be displayed outside the dining room. Dinner also includes a keynote speaker and separate raffles for students and representatives.

Tip: Once the student raffle begins, listen for the directors' announcement for representatives to prepare for the career fair.

Career Fair

Carnesale Commons Floors 2 & 3 | 8:30 - 10:00 PM

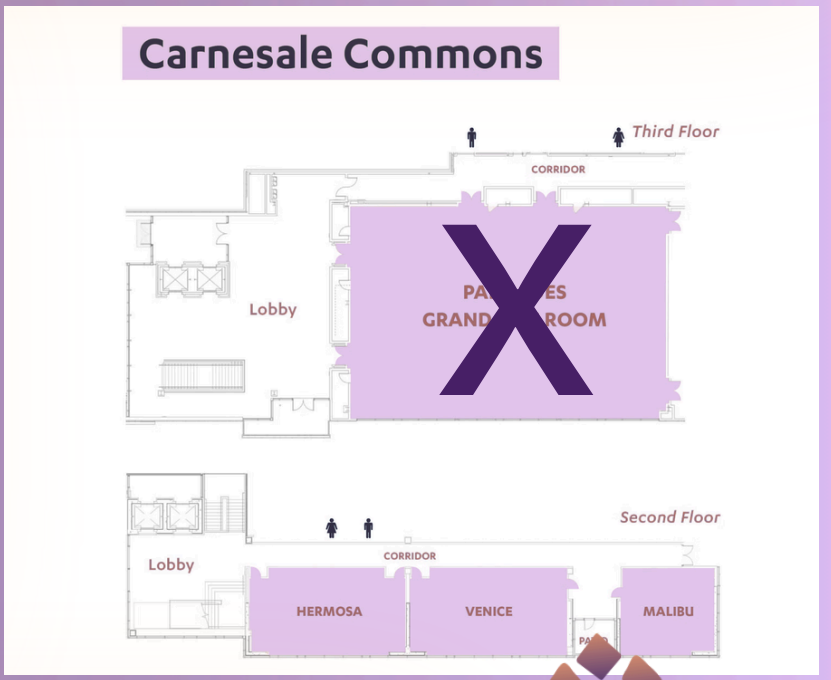

The career fair is private to EWI attendees, giving representatives a chance to interact with students not at their table. Each company will be assigned a booth on the day of the event. Representatives will be dismissed early to allow for setup time.

2nd Floor:

- Malibu

3rd Floor

Tip: Please limit your conversations to 10 minutes per student to allow for more students to learn about your company.
